

**Dear Friends and Colleagues:**

On behalf of the Alabama Association for Career and Technical Education (ALACTE), it is my pleasure to extend a sponsorship invitation to you for 2023's Summer Professional Development Conference, hosted in Mobile, Alabama, July 26-28, 2023. This year's conference will unite over 2,000 career and technical education (CTE) stakeholders from across the state for cutting-edge trainings, interprofessional networking, and insight from industry leaders on the forefront of CTE.

As a leader in your field, we invite you to strengthen the future of Alabama's workforce and education system by contributing directly to one of the state's largest annual conferences for CTE educators. For your participation as a sponsor, we are pleased to offer you an exciting selection of promotional and immersive opportunities, including preferred access to ALACTE's exhibit and expo hall, breakout sessions with conference attendees, and a wide range of marketing avenues for you and your organization.

Your consistent dedication to Alabama's learners and CTE professionals is greatly appreciated, and we hope you will consider furthering and celebrating your work with us as a sponsor at this year's Summer Professional Development Conference. Please review the attached infographic for more information on this year's sponsorship offerings. Should you have any questions about this invitation, please feel free to contact me at [alacte@yahoo.com](mailto:alacte@yahoo.com) for additional assistance. To select your sponsorship package, please visit us online at [alacte.org](http://alacte.org).

Sincerely yours,

**Ann Gilmore, Executive Director**  
Alabama Association for Career and Technical Education

***About ALACTE***

The Alabama Association for Career and Technical Education (ALACTE) is a state-level affiliate of the National Association for Career and Technical Education, one of the largest national bodies representing CTE stakeholders in the United States. ALACTE is a voice for all of Alabama's educators in career and technical education fields, representing members in all of the state's sixty-seven counties. ALACTE works to combine educators, industry leaders, government officials, and other CTE stakeholders to develop a competitive workforce through advocacy, professional development, and public relations.
